Re: Treatment of Fannie Mae Non-Public Information

Hon. Bill Thomas
Vice Chairman

Dear Mr. Kilduff:

On behalf of the Financial Crisis Inquiry Commission ("the Commission"), I write to memorialize our understanding with respect to the treatment of non-public information provided by Fannie Mae and its affiliates ("Fannie Mae") to the Commission and its staff.

Brooksley Born
Commissioner

When submitting information to the Commission please indicate what is truly "non-public" to allow the Commission to track Fannie Mae's submissions appropriately. Please avoid categorizing everything as non-public, as to do so will make the Commission's work more difficult and may lead to inadvertent public disclosure outside of the terms of this letter.

Heather H. Murren, CFA
Commissioner

John W. Thompson
Commissioner

Prior to any release of non-public information under the above paragraph, the Commission will give written notice to Fannie Mae, and allow Fannie Mae to consult with the Commission before the Commission uses any of the Fannie Mae's non-public information in any interim or final report to the President and Congress, or in any public hearing.

United States Congress with authority to require and receive the non-public information, or a legally valid and enforceable subpoena or order by a court of competent jurisdiction for the non-public information or testimony related thereto.

Finally, all information obtained from Fannie Mae or relating to Fannie Mae will be transmitted to the National Archives and Records Administration (NARA) following the completion of the Commission's work. To the extent permitted by law, the Commission will request that NARA not release to the public the Fannie Mae non-public information for an appropriate length of time, likely five years or more. If you have a legal basis to believe that the Commission is not required by law to provide certain Fannie Mae information to NARA, please let us know.
