Re: Treatment of UBS Non-Public Information

Hon. Bill Thomas
Vice Chairman

Dear Mr. Moon:

Brooksley Born
Commissioner

On behalf of the Financial Crisis Inquiry Commission ("the Commission"), I write to memorialize our understanding with respect to the treatment of non-public information provided by UBS Investment Bank and its affiliates ("UBS") to the Commission and its staff.

Byron S. Georgiou
Commissioner

When submitting information to the Commission please indicate what is truly "non-public" to allow the Commission to track UBS's submissions appropriately. Please avoid categorizing everything as non-public, as to do so will make the Commission's work more difficult and may lead to inadvertent public disclosure outside of the terms of this letter.

Senator Bob Graham
Commissioner

Keith Hennessey
Commissioner

Any non-public information that is obtained from UBS will be used only by employees and agents of the Commission who have a need to know and use the information in the performance of their official work duties in a manner consistent with its non-public status and applicable law. All persons with whom non-public information is shared will be advised of and, as condition of receiving non-public information, will agree to comply with the understanding in this letter.

John W. Thompson
Commissioner

Peter J. Wallison
Commissioner

Prior to any release of non-public information under the above paragraph, the Commission will give written notice to UBS, and allow UBS to consult with the Commission before the Commission uses any of the UBS's non-public information in any interim or final report to the President and Congress, or in any public hearing.

Nothing as described in this letter will prevent the Commission or its staff from complying with a request or demand from a duly authorized Committee of the

United States Congress with authority to require and receive the non-public information, or a legally valid and enforceable subpoena or order by a court of competent jurisdiction for the non-public information or testimony related thereto.

Finally, all information obtained from UBS or relating to UBS will be transmitted to the National Archives and Records Administration (NARA) following the completion of the Commission's work. To the extent permitted by law, the Commission will request that NARA not release to the public the UBS non-public information for an appropriate length of time, likely five years or more. If you have a legal basis to believe that the Commission is not required by law to provide certain UBS information to NARA, please let us know.

Thank you very much for UBS's continued cooperation.
