Re: Potential Use of Quotes

Dear Mr. Cohen:

As you are aware, we represent Dow Kim, and we write in response to your letter to Mr. Kim, dated December 7, 2010.

In your letter you request Mr. Kim's comments relating to the potential use or paraphrase by the FCIC in its Report to Congress of a certain statement by our client, "and related material being included in the report."

We write to request that the certain quote by our client that the FCIC anticipates releasing be put into sufficient context for us, so that we may evaluate whether Mr. Kim is unfairly prejudiced by its release sooner than the years set forth in the Presidential Records Act. Also, we request that you further identify the "related materials" mentioned by you in the December 7<sup>th</sup> letter.

Thank you.

Very truly yours,

William M. Moran
