No qualified institutional buyer shall be liable in any private right of action for any opinion or statement expressed in a certification made pursuant to subparagraph (B)(ix).

(B) Conduct of proceedings

(i) Content

Proceedings referred to in subparagraph (A)(ii) shall—

The Commission may extend the time for conclusion of such proceedings for not longer than 90 days, if it finds good cause for such extension and publishes its reasons for so finding, or for such longer period as to which the applicant consents.

(C) Grounds for decision

The Commission shall grant registration under this subsection—

(i) if the Commission finds that the requirements of this section are satisfied; and

(ii) unless the Commission finds (in which case the Commission shall deny such registration) that—

(I) the applicant does not have adequate financial and managerial resources to consistently produce credit ratings with integrity and to materially comply with the procedures and methodologies disclosed under paragraph (1)(B) and with subsections (g), (h), (i), and (j); or

(II) if the applicant were so registered, its registration would be subject to suspension or revocation under subsection (d).

(3) Public availability of information

Subject to section 78x of this title, the Commission shall, by rule, require a nationally recognized statistical rating organization, upon the granting of registration under this section, to make the information and documents submitted to the Commission in its completed application for registration, or in any amendment submitted under paragraph (1) or (2) of subsection (b), publicly available on its website, or through another comparable, readily accessible means, except as provided in clauses (viii) and (ix) of paragraph (1)(B).

(b) Update of registration

(1) Update

Each nationally recognized statistical rating organization shall promptly amend its application for registration under this section if any information or document provided therein becomes materially inaccurate, except that a nationally recognized statistical rating organization is not required to amend—

(B) listing any material change that occurred to such information or documents during the previous calendar year.

(c) Accountability for ratings procedures

(1) Authority

The Commission shall have exclusive authority to enforce the provisions of this section in accordance with this chapter with respect to any nationally recognized statistical rating organization, if such nationally recognized statistical rating organization issues credit ratings in material contravention of those procedures relating to such nationally recognized statistical rating organization, including procedures relating to the prevention of misuse of nonpublic information and conflicts of interest, that such nationally recognized statistical rating organization—

(A) includes in its application for registration under subsection (a)(1)(B)(ii); or

(B) makes and disseminates in reports pursuant to section 78q(a) of this title or the rules and regulations thereunder.

(2) Limitation

The rules and regulations that the Commission may prescribe pursuant to this chapter, as they apply to nationally recognized statistical rating organizations, shall be narrowly tailored to meet the requirements of this chapter applicable to nationally recognized statistical rating organizations. Notwithstanding any other provision of law, neither the Commission nor any State (or political subdivision thereof) may regulate the substance of credit ratings or the procedures and methodologies by which any nationally recognized statistical rating organization determines credit ratings.

(d) Censure, denial, or suspension of registration; notice and hearing

The Commission, by order, shall censure, place limitations on the activities, functions, or operations of, suspend for a period not exceeding 12 months, or revoke the registration of any nationally recognized statistical rating organization if the Commission finds, on the record after notice and opportunity for hearing, that such censure, placing of limitations, suspension, or revocation is necessary for the protection of investors and in the public interest and that such nationally recognized statistical rating organization, or any person associated with such an organization, whether prior to or subsequent to becoming so associated—

(1) has committed or omitted any act, or is subject to an order or finding, enumerated in subparagraph (A), (D), (E), (H), or (G) of section 78o(b)(4) of this title, has been convicted of any offense specified in section 78o(b)(4)(B) of this title, or is enjoined from any action, conduct, or practice specified in subparagraph (C) of section 78o(b)(4) of this title, during the 10-year period preceding the date of commencement of the proceedings under this subsection, or at any time thereafter;

(2) has been convicted during the 10-year period preceding the date on which an application for registration is furnished to the Commission under this section, or at any time thereafter, of—

(A) any crime that is punishable by imprisonment for 1 or more years, and that is not described in section 78o(b)(4)(B) of this title; or

(2) Commission authority

In addition to any other authority of the Commission under this chapter, if the Commission finds that a nationally recognized statistical rating organization is no longer in existence or has ceased to do business as a credit rating agency, the Commission, by order, shall cancel the registration under this section of such nationally recognized statistical rating organization.

(f) Representations

(1) Ban on representations of sponsorship by United States or agency thereof

It shall be unlawful for any nationally recognized statistical rating organization to represent or imply in any manner whatsoever that such nationally recognized statistical rating organization has been designated, sponsored, recommended, or approved, or that the abilities or qualifications thereof have in any respect been passed upon, by the United States or any agency, officer, or employee thereof.

(2) Ban on representation as NRSRO of unregistered credit rating agencies

It shall be unlawful for any credit rating agency that is not registered under this section as a nationally recognized statistical rating organization to state that such credit rating agency is a nationally recognized statistical rating organization registered under this chapter.

(3) Statement of registration under Securities Exchange Act of 1934 provisions

No provision of paragraph (1) shall be construed to prohibit a statement that a nationally recognized statistical rating organization is a nationally recognized statistical rating organization under this chapter, if such statement is true in fact and if the effect of such registration is not misrepresented.

(g) Prevention of misuse of nonpublic information

(1) Organization policies and procedures

Each nationally recognized statistical rating organization shall establish, maintain, and enforce written policies and procedures reasonably designed, taking into consideration the nature of the business of such nationally recognized statistical rating organization, to prevent the misuse in violation of this chapter, or the rules or regulations hereunder, of material, nonpublic information by such nationally recognized statistical rating organization or any person associated with such nationally recognized statistical rating organization.

(2) Commission authority

The Commission shall issue final rules in accordance with subsection (n) to require spe-

cific policies or procedures that are reasonably designed to prevent misuse in violation of this chapter (or the rules or regulations hereunder) of material, nonpublic information.

(h) Management of conflicts of interest

(1) Organization policies and procedures

Each nationally recognized statistical rating organization shall establish, maintain, and enforce written policies and procedures reasonably designed, taking into consideration the nature of the business of such nationally recognized statistical rating organization and affiliated persons and affiliated companies thereof, to address and manage any conflicts of interest that can arise from such business.

(2) Commission authority

The Commission shall issue final rules in accordance with subsection (n) to prohibit, or require the management and disclosure of, any conflicts of interest relating to the issuance of credit ratings by a nationally recognized statistical rating organization, including, without limitation, conflicts of interest relating to—

(D) any affiliation of a nationally recognized statistical rating organization, or any person associated with such nationally recognized statistical rating organization, with any person that underwrites the securities or money market instruments that are the subject of a credit rating; and

(E) any other potential conflict of interest, as the Commission deems necessary or appropriate in the public interest or for the protection of investors.

(i) Prohibited conduct

(1) Prohibited acts and practices

The Commission shall issue final rules in accordance with subsection (n) to prohibit any act or practice relating to the issuance of credit ratings by a nationally recognized statistical rating organization that the Commission determines to be unfair, coercive, or abusive, including any act or practice relating to—

(A) conditioning or threatening to condition the issuance of a credit rating on the purchase by the obligor or an affiliate thereof of other services or products, including pre-credit rating assessment products, of the

nationally recognized statistical rating organization or any person associated with such nationally recognized statistical rating organization;

(B) lowering or threatening to lower a credit rating on, or refusing to rate, securities or money market instruments issued by an asset pool or as part of any asset-backed or mortgage-backed securities transaction, unless a portion of the assets within such pool or part of such transaction, as applicable, also is rated by the nationally recognized statistical rating organization; or

(C) modifying or threatening to modify a credit rating or otherwise departing from its adopted systematic procedures and methodologies in determining credit ratings, based on whether the obligor, or an affiliate of the obligor, purchases or will purchase the credit rating or any other service or product of the nationally recognized statistical rating organization or any person associated with such organization.

(2) Rule of construction

Nothing in paragraph (1), or in any rules or regulations adopted thereunder, may be construed to modify, impair, or supersede the operation of any of the antitrust laws (as defined in section 12 of this title, except that such term includes section 45 of this title, to the extent that such section 45 applies to unfair methods of competition).

(j) Designation of compliance officer

Each nationally recognized statistical rating organization shall designate an individual responsible for administering the policies and procedures that are required to be established pursuant to subsections (g) and (h), and for ensuring compliance with the securities laws and the rules and regulations thereunder, including those promulgated by the Commission pursuant to this section.

(k) Statements of financial condition

Each nationally recognized statistical rating organization shall, on a confidential basis, furnish to the Commission, at intervals determined by the Commission, such financial statements, certified (if required by the rules or regulations of the Commission) by an independent public accountant, and information concerning its financial condition, as the Commission, by rule, may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(l) Sole method of registration

(1) In general

On and after the effective date of this section, a credit rating agency may only be registered as a nationally recognized statistical rating organization for any purpose in accordance with this section.

(2) Prohibition on reliance on no-action relief

On and after the effective date of this section—

(A) an entity that, before that date, received advice, approval, or a no-action letter from the Commission or staff thereof to be treated as a nationally recognized statistical

rating organization pursuant to the Commission rule at section 240.15c3-1 of title 17, Code of Federal Regulations, may represent itself or act as a nationally recognized statistical rating organization only—

(m) Rules of construction

(1) No waiver of rights, privileges, or defenses

(2) No private right of action

Nothing in this section may be construed as creating any private right of action, and no report furnished by a nationally recognized statistical rating organization in accordance with this section or section 78q of this title shall create a private right of action under section 78r of this title or any other provision of law.

L. 107-204] (116 Stat. 797), hearings before the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Financial Services of the House of Representatives during the 108th and 109th Congresses, comment letters to the concept releases and proposed rules of the Commission, and facts otherwise disclosed and ascertained, Congress finds that credit rating agencies are of national importance, in that, among other things—

“(1) their ratings, publications, writings, analyses, and reports are furnished and distributed, and their contracts, subscription agreements, and other arrangements with clients are negotiated and performed, by the use of the mails and other means and instrumentalities of interstate commerce;

“(2) their ratings, publications, writings, analyses, and reports customarily relate to the purchase and sale of securities traded on securities exchanges and in interstate over-the-counter markets, securities issued by companies engaged in business in interstate commerce, and securities issued by national banks and member banks of the Federal Reserve System;

“(3) the foregoing transactions occur in such volume as substantially to affect interstate commerce, the securities markets, the national banking system, and the national economy;

“(4) the oversight of such credit rating agencies serves the compelling interest of investor protection;

“(5) the 2 largest credit rating agencies serve the vast majority of the market, and additional competition is in the public interest; and

“(6) the Commission has indicated that it needs statutory authority to oversee the credit rating industry.”

the day on which the subject transaction has been executed, or at such other time as the Commission shall establish, by rule, in any case in which the Commission determines that such 2-day period is not feasible.

(3) Contents of statements

A statement filed—

(A) under subparagraph (A) or (B) of paragraph (2) shall contain a statement of the amount of all equity securities of such issuer of which the filing person is the beneficial owner; and

Suit to recover such profit may be instituted at law or in equity in any court of competent jurisdiction by the issuer, or by the owner of any security of the issuer in the name and in behalf of the issuer if the issuer shall fail or refuse to bring such suit within sixty days after request or shall fail diligently to prosecute the same thereafter; but no such suit shall be brought more than two years after the date such profit was realized.
