Multifamily Debt & Equity Volume and Debt Book Growth
Portfolio Business

- Short-term interest rates steadily increased in 2005 in line with Fed Funds rate hikes
- Debt to swap spreads improved over the course of the year due to decreased issuance; spreads to Freddie Mac were 2-4 bps better than at the start of 2005
- Mortgage option-adjusted spreads have remained very tight
- Market value risk of the portfolio managed actively, with sensitivity for +/- 50bp change in rates under $2B (pre-tax) throughout 2005
- Monthly portfolio duration gap reported at +/- 1 month or less through December
- Mortgage balance growth in 2005 is -20% annualized, driven by tight MBS spreads and the Capital Restoration Plan... but will show net growth for December, first time in over a year

### Housing Goals

- Exceeded all base HUD goals
- For 2005, HUD established three new Purchase Money Mortgage (PMM) subgoals mirroring the base goals, of which only the Special Affordable PMM Subgoal is enforceable under current law
- Management believes that we met the enforceable Special Affordable PMM Subgoal (by an estimated margin of 700 loans on a denominator of >1 million), but will not achieve the two other subgoals
- Income data from approximately 3,600 Vanderbilt manufactured home chattel loans that has not yet been loaded into the system is expected to increase Special Affordable PMM Subgoal actuals above the 17% target
- Will not have final assessment until mid-February, after due diligence and other routine year-end data clean ups completed

### Minority Lending Goals

- Exceeded goal for lending to African American borrowers but did not meet goals for lending to Hispanic households and to total minority households

- Rudy's subsequent firm, Alexander Strategies Group, retained by Fannie Mae; contract terminated 1/06
- Rep. Tom DeLay – interactions with Fannie Mae grounded in 10+ year history as strong supporter of mission; last formal contact in June 2005
- Rep. Bob Ney – interactions with Fannie Mae also grounded in similarly strong support of our mission; last formal contact in March 2005
- 2006 lobbying budget at $3.3 million (down from $3.7 in 2005 and $4.9 million in 2004)
