**TM's** - The list of loans mainly consist of loans that are pooled that need to be placed on legal hold.

**Legal Team** - loan 874644 is on a permanent hold deemed as completely unsalable. Does this loan need to be reclassified as a legal hold? It will never be pooled as part of the "hold - psco" bucket. This is the second request for clarification regarding the reporting of this loan. Please advise.

[REDACTED] there is a loan on both CMO / legal hold. Please advise.
