This loan will most likely be rewritten, therefore we probably shouldn't sell it. Can we pull it from the Aug06 Citigroup pool and place it on legal hold?

Please confirm.

Thanks,

This loan is in the Aug 06 Citigroup pool. We are in the process of tendering a title claim as the closing agent did not adhere to the closing instructions. We are also referring the file to CMO for a possible rewrite to provide the additional funds to pay the shortages as a result of the closing error.

Please advise if this can be pulled.

Thanks,
