Incredible lack of coordination. We really need to break down the silos!

Chuck,

More info. on RevolutionMoney. As I dug deeper, I did learn that the CMB has provided RevolutionMoney with a warehouse line becoming their sole finance provider for the prime card business and have also made a 10% equity investment. The CMB will introduce us to their senior team to explore potential opportunities.

Amy - I understand that you're interested in RevolutionMoney. The right contact is Doug Lipton in the CMB/ABS area. They provide an asset based warehouse line and have made a ~10% equity investment. They are RevolutionCard's sole finance provider for the prime card business. Doug is more than happy to make an introduction. I've signed up for a card - am waiting to receive it. We've done some thinking about it, if you'd like to discuss. Look forward to catching up. Whitney
